## General Preservation Assessment, Bowdoin College Library

A general preservation assessment of the library; consultation with the staff to review policies and procedures for preservation, conservation, and disaster preparedness; and recommendations for short-term improvements of environmental conditions. The library's collections, developed over a period of 200 years, exceed one million volumes and include more than 18,000 current print and electronic periodical and newspaper subscriptions, 28,000 audiovisual items, 40,000 maps, and 5,000 linear feet of manuscripts and archival records.

Project field: Library Science, Archival  
Management, and Conservation  
Program: Preservation Assistance Grants  
Division: Preservation and Access  
Total awarded: \$6,000  
Grant period: 1/1/2010 – 6/30/2011
