

Guiding Principles

A Strategic Plan to Guide Future Growth at Bowdoin College

Prepared by Skidmore, Owings & Merrill

October 25, 2003

- Bowdoin College is a compact and mixed use campus
- Bowdoin College is a walkable campus
- Bowdoin College is a historically significant campus
- Bowdoin College is connected to the Town of Brunswick and the larger community
- Bowdoin College is a steward of the natural environment
- Bowdoin College is an ecological campus with established standards for sustainability and energy consumption
- Bowdoin College will have clear design standards for all construction and renovation projects
