

Essay questions for the 2012-13 Residential Life online application

New Applicants- Choose two

-What are two aspects of the Bowdoin community that you would like to change? How would being on the Residential Life staff facilitate you addressing these issues?

-Tell us about a time that you were affected in some way by a student leader at Bowdoin.

-Please describe a recent instance where you positively affected the Bowdoin community.

Returning Staff- Please answer both

-Tell us about three instances (programs, meetings, interactions etc.) where you feel you have affected positive change while you have been on staff.

- Describe a situation where, looking back, you might change your approach if you could do it over again. Why and how?

New applicants AND returners: Remember also to prepare a resume, cover letter, and references (new applicants need a peer leader and a faculty/staff member; returners need a peer leader) preferably before you open your online application.
